

LinkedIn Profile Creation

By LIenglish313 in Design > Websites  6,829  12  2 ★ Featured

LinkedIn is a social media service for the professional field. Having a profile gives you an opportunity to share your career experience to interested parties. This allows you to create new connections, search for jobs, contact potential employers, follow company updates, and join or create professional groups.

This Instructables article will show you how to create a basic LinkedIn account for your professional life. Below you will find a video that

demonstrates the registration process for your new account.

We recommend having your resume handy to fill out your LinkedIn profile.

Step 1: Name and Account Log In

The screenshot shows the LinkedIn homepage. At the top, there are links for 'Join Today', 'Email', and 'Password'. Below these, there's a section with text: '20 million professionals use LinkedIn to get information, ideas and opportunities', 'Stay informed about your contacts and industry', 'Find the people & knowledge you need to advance your goals', and 'Control your professional identity online'. On the right side, there's a blue box titled 'Join LinkedIn Today'. Inside this box, there are input fields for 'First Name' (with 'John' entered), 'Last Name' (with 'Doe' entered), 'Email' (with 'john.doe@company.com' entered), and 'Password' (with 'password' entered). Below the password field, there's a link for 'Forgot your password?'. A green 'Join Now' button is at the bottom of the box, followed by a link for 'Already on LinkedIn? Log In'. Below the sign-up box, there's a search bar with the text 'Search for someone by name:' and input fields for 'First Name' and 'Last Name', with a 'Go' button. At the bottom, there's a link for 'LinkedIn mobile app' and a footer with 'Join LinkedIn Today' and 'You are indicating that you have read and agree to LinkedIn's Terms, Agreements and Privacy Policy'.

Open your Internet browser and go to [linkedin.com](https://www.linkedin.com). There is a box titled “Join LinkedIn Today” on the right side of the web page. Enter your first and last name, and an email and password.

Step 2: Residence and Work Information

The screenshot shows the LinkedIn profile creation interface. At the top, there's a header with the LinkedIn logo and the text "To get your professional profile started". Below this, the form is divided into two main sections. The left section contains several dropdown menus and text input fields for personal information: "I am currently:", "Country:", "ZIP Code:", "Education:", "Years attended:", and "Skill of interest:". The right section features a yellow lightbulb icon and the text "A LinkedIn profile helps you", followed by three green checkmarks and their corresponding benefits: "Increase your skills and experience", "Be found for new opportunities", and "Stay in touch with colleagues and former classmates". At the bottom of the form, there is a blue button labeled "Create my profile" and a small text link "Forgot your password?".
